**FOR IMMEDIATE RELEASE**

## **Electronic Payment Exchange Hires Steven M. Kendus as Marketing Director**

**Wilmington, DE July 13, 2009** – Electronic Payment Exchange (EPX), an industry-leading provider of secure, end-to-end payment solutions for merchants across all distribution channels announced today the hiring of Steven M. Kendus as marketing director.

As a marketing and corporate communications expert with more than 20 years of marketing and writing experience and more than ten years of executive management experience in software- and Web-oriented environments, Mr. Kendus brings a broad skill set to EPX. Mr. Kendus founded The Writer's Block - GoodResume.com in 1993 and MyHouseSpecs.com in 2000, and has assisted organizations in enhancing their productivity and identity through marketing, corporate communications, and employee education.

Mr. Kendus is a published author, journalist, and technical writer, and he has assisted large-scale companies and smaller, nonprofit organizations with their marketing and communications needs. Mr. Kendus served as vice president of marketing for QED Financial Systems; manager of technical education and corporate communications for Integrated Software Solutions, Inc.; director of product communications for eCal Corporation; senior technical writer for EXE Technologies; and training program designer for The Bank of New York (Delaware).

Mr. Kendus has a Bachelor of Arts in English – Business and Technical Writing from the University of Delaware and a certificate in Web design from the Delaware College of Art and Design. He is a senior member of the Society for Technical Communication.
